## About the project:

Our training course “Ecology in Media II”

Our training aims to provide youth workers with basic skills and experiences in using media, visual thinking and graphic facilitation methods in their youth work. Media and Visual thinking is a way to organize your thoughts and improve your ability to think and communicate the project itself, we will base our activities on the "zero waste" philosophy - this is how we will show in practice that we think about nature.

## How to go to Stara Zagora II

The best way to reach Stara Zagora is from Sofia. From Sofia airport, you have to take the metro. The ticket costs 0,80 EUR per passenger (please take into consideration that passengers with big baggage pay an additional ticket for 0,80 EUR). You have to change the metro at SERDIKA station in the direction of Central railway station. You have to get off at Central railway station (Централна гара, Centralna gara). The bus station is 100 m away.

It is possible to catch a taxi but it will not be REIMBURSED. If you are a group, this is the best option. The most reliable are “OK taxi”. You can also order a taxi on a special desk at the arrivals hall.

For the trip to Stara Zagora you can take a train or bus it’s possible to buy a train ticket online on this website: <https://www.bdz.bg/en>. Select the stations, the date and time and choose the right train for you. Once you clicked on ‘Buy online’, everything is explained on the right side of the page. Follow the steps, you may only need to create an account, then buy and print the ticket. Travelling time: 4 to 5 h (use only direct trains).

## Travel expenses

The reimbursement covers only traveling by plane, train and bus. Money paid for taxi cannot be reimbursed! Please keep all receipts and invoices with you. Print all your tickets and invoices if the tickets are bought online.

**IMPORTANT:** You will get your reimbursement after **WE HAVE RECEIVED** all your travel documents. You will receive your reimbursement money through your sending organizations, so you need to inform them about the details of your bank account. We are forced to do this because in the past a lot of participants had delay in sending their boarding passes to us and we were not able to submit our final report on time.

If you travel only by bus, we just need your tickets.

## Other practical advice:

Currency is: Euro

Language: Bulgarian is a Slavic language. Young people speak English, but people such as drivers, ticket sellers, shop assistants usually do not speak English, so it is good to learn some useful phrases in Bulgarian (see below).

If you know a little Russian, you can try it with older people.

The alphabet used in Bulgaria is Cyrillic, hence it is recommended also to gain some knowledge about it.

Facebook group: Despite trying to strengthen human bonds in person, Facebook can still be useful. We will create a group chat in Whatsapp.
